

# The New Health Care Value Chain: Drawing Health Systems from Scratch

From the Spanish Platform for Innovation in Healthcare Technology we promote innovation and transformation of healthcare systems. We invite you to join us and participate in this webinar in which we will discuss about the future of health systems and the changes which are yet to come.

We will have [Antonio Roibas](#) and [Anant Jani](#) as speakers, two experts in health management and strategy, both with a clear vision about how to promote the transformation in this context.

Join us on [July 1<sup>st</sup>](#) at 10 AM!!
